

Sébo Détox Crème

Immediate effect on the epidermal ecosystem that protects it against pollutants, restores the production of sebum to normal conditions and mattifies the skin.

BIOSEQUENTIELLE ACTION

Being rich in flavonoids and mucilage, this formula facilitates lymphatic draining, heals surface skin imperfections and effectively reduces irritation. Its phenolic acids restore balance to oily skin while vitamins A and B have smoothing and nourishing effects. A synergy of 3 photo-protective filters, which are resistant to sunrays and non-allergenic, defends the skin against harmful UVA-UVB rays.

ENERGETIC ACTION

Its Yin polarity diminishes discomfort due to irritation and redness. It regulates energetic flows in order to quickly detoxify the skin and heal surface skin imperfections. Yin energy reduces enlarged pores and normalises dermal secretions.

APPLICATION

Apply on the face (in the evening and/or morning) by performing a light Biosel massage. Do not rinse.

RESULTS

The skin regains its natural balance, its glow turns into natural radiance and freshness. Makeup applications are enhanced and have a longer lasting effect.

BIOSEQUENTIELLE FORMULA

Flower	Wild Pansy.	It facilitates the purification of the lymphatic system and quickly eliminates free-radicals. It also reduces itchiness and reinforces the skin's immune system.
Leaf	Birch	It eliminates uric acid and toxins accumulated in skin tissue and quickly decongests lymphatic ganglions.
Bark	Lichen - Icelandic Moss	This anti-bacterial and anti-inflammatory agent noticeably diminishes skin irritation caused by acne or pimples.
Root	Burdock	It eliminates toxins and helps to heal all surface skin imperfections such as psoriasis and eczema.

COMPLEMENTARY INGREDIENTS

SWEET ALMOND. An oil that is very rich in vitamins A and B, with soothing and nourishing properties; it is specially recommended for sensitive, dry and irritated skin

CINNAMON. Its antiseptic and anti-spasmodic properties diminish bacterial proliferation and soothe stressed skin due to irritation. It quickly helps impure, acneic and oily skin to regain its normal condition

COMPLEXE CONTROL. 4 actions: controls the secretion of sebum, restores balance to the dermal ecosystem, reduces swelling, strengthens the skin's natural defences

Solar UVA- UVB Eco-filter. It reduces the production of free-radicals that are responsible for photo-ageing. It is specially recommended for sensitive skin that is prone to irritations, post-surgery treatments, and the delicate skin of babies and pregnant women.
