

## Eau de Pureté

An essential product to soothe and restore balance to all skin types, specially those that are highly sensitive and delicate.

### BIOSEQUENTIELLE ACTION

Its very special 'biosequential' formula uses the purifying action of Ononis root, the toning properties of Cinchona bark, the regenerative power of Burdock leaves and the moisture-balancing effect of Cucumber flowers.

### ENERGETIC ACTION

The neutral energetic formula of this toner restores energetic balance by reducing its surplus or compensating for its deficit. It diminishes redness or irritation due to excessive Yang energy or brings relief to deoxygenated and prematurely aged skin due to stress and a lack of Yin energy. The skin benefits from an immediate energetic balance that restores its right moisture level and compactness.
