

Lait de Pureté

Its natural rice oil base formula is recommended as a daily cleanser for highly sensitive skin that has been exposed to harmful environmental elements.

BIOSEQUENTIELLE ACTION

Its action is based on the sequential effect of plant extracts. Right after the first application, each root, bark, leaf and flower ingredient strengthen the skin's immune system by neutralising the dehydrating effect of calcareous water. This formula also encourages the regeneration of skin cells and restores a healthy and radiant look to facial skin.

ENERGETIC ACTION

Its neutral energetic formula restores energetic balance by reducing its surplus or compensating for its deficit. It is the perfect cleanser for skin that suffers from redness or irritation due to excessive Yang energy and also for deoxygenated and prematurely aged skin due to stress and a lack of Yin energy. The skin benefits from an immediate energetic balance that restores its radiance and freshness.

APPLICATION

Apply daily (in the morning and evening) directly on the skin, by performing a light rotational massage on the face, neck and bosom.

RESULTS

It eliminates impurities and removes makeup, resulting in a smoother, fresher and more radiant skin.

BIOSEQUENTIELLE FORMULA

Flower	Cucumber	It restores the right moisture level. Its normalising action on oily skin has an astringent effect on dilated pores. Its purifying and refreshing properties restore vitality and radiance to the skin.
Leaf	Marshmallow	Its emollient and soothing properties help the skin retain a perfectly smooth, velvety look. It also strengthens the skin's natural defences and has a refreshing effect.
Bark	Sea Pine	Its anti-oxidant properties revitalise skin tissue and its purifying action quickly eliminates impurities and reinforces the skin's immune system.
Root	Ononis Maritima	It reduces excessive Yang energy so that anti-inflammatory processes can be noticeably reactivated. It soothes sensitive skin and restores a radiant look.

COMPLEMENTARY INGREDIENTS

Rice Oil: This rice bran extract helps the skin retain moisture and has both restructuring and anti-radical properties. Being extremely rich in oligo-elements and mineral salts, it also reduces excessive energy accumulations that cause swelling.

Vitamin E: Extracted from wheat germ oil, with anti-oxidant and anti-ageing properties.
