

Synessence Creme

Nourishing anti-ageing cream with a firming and lifting effect on the face, neck and bosom.

BIOSEQUENTIELLE ACTION

The Bioséquentielle Formula heals skin affected by the ageing process, protects against harmful environmental elements and has a noticeable and long-lasting anti-ageing action. The skin is revitalized and the face gradually regains a serene and relaxed look.

ENERGETIC ACTION

Thanks to its Yang energy identity, it intensely combats the deteriorating Ying energy action that causes the skin to age and develop wrinkles. Its Echinacea root ingredient reawakens Yang energy and its Oak bark ingredient purifies and makes energy more dynamic.

BIOSEQUENTIELLE FORMULA

Flower	Helichrysum	Decongestant and calming effect; protects and heals skin tissue, improves the draining of retentions and noticeably reduces dark eye circles.
Leaf	Viola Tri-Colour	Facilitates lymph purification and the draining of free-radicals; helps the skin regain a pleasant sensation and elasticity.
Bark	Oak	Heals surface skin imperfections, rejuvenates and strengthens the skin. Its toning and astringent properties restore compactness to the skin.
Root	Echinacea	revitalizes the skin and reinforces its defences; smoothes the skin and flattens wrinkles.

COMPLEMENTARY INGREDIENTS

Macrocystis Pyrifera. Ocean algae rich in marine proteins and enzymes; encourages the production of elastin and collagen. Restores toning and elasticity to the skin.

Matrixyl Anti-Ageing Complex. Encourages the production of elastin and collagen; makes the skin more compact; regenerates skin tissue and smoothes skin fibres.

Vegetable Collagen. Hydrating and regenerating agent; reduces wrinkles and has a remarkable tensing effect.

Anti-âge Repair. Anti-oxydant complex made with vitamins C and E; intensely reduces skin stress and has an anti-ageing effect.

Sweet Almond. Rich in vitamins A and B, it energizes, nourishes and softens the skin; heals imperfections that help facial skin regain a radiant look.

UV-A – UV-B Sunlight Filter. Photostable and anallergic; protects the skin against ageing, wrinkles and the loss of toning.
